

## Uniform Exepctations

At Calton Primary School, we take great pride in our uniform, as we believe it sets the culture of our school – we have high standards for everything we do.

Please can we remind that all uniform including that of PE kit, coats and bags should be clearly labelled with your child's full name. In addition, please can we ask that lunch boxes, book bags and tupperware containers are also clearly labelled.

If you have any questions in regard to uniform or want to check anything with us when purchasing uniform then please do not hesitate to get in contact.

### SCHOOL FOOTWEAR (excluding PE day)

It is important that parents and carers know that crocs, canvas shoes, boots, non polishable trainers and logos (e.g. Nike, Adidas, etc) are **not** permitted in school - they are not smart, some unsafe and in many cases not inclusive, often costing a great deal more than smart formal shoes. Please see what is and is not permitted below. Shoes that are **not** black are also not permitted.

We share this to help parents and carers when purchasing shoes for school. There are a number of outlets that advertise all black trainers as 'for school', several of these are trainers and do not meet our uniform guidelines. **Please ensure that any 'trainer or pump' type of footwear is polishable.** If you are unsure do feel free to check with us that the shoes match the guidelines. Do not buy trainers for school - most shoe vendors sell formal shoes that are more supportive than trainers. Supportive shoes chosen must not be branded with logos and must still be smart.

As we have OPAL play in school your child needs to be safe in their shoes during running around and climbing at break times. Therefore, it is essential that the shoe does not have a heel or is strappy or will come loose from your child's foot easily, it should also support your child's foot at the heel and should not have open toes.

**The only time that trainers are permitted is on PE days**
